Index to Volume 60—1992

A-B

A low-cost vibration damping platform for photomicrography 71
A mission statement for the biomedical media department .. 75
A primer on digital imaging—Post production for still photography: Part 3 1
Barker, Norman J., MS, RBP 63
Byrne, Richard, Ph.D. 33, 87

C-D

Cooper, Adam, RBP 135
Copyright—Some ethical considerations 105
Dodd, Russell 1
Dr. Byrne revisited: #1; Keynote address—BIO '76 33
Dr. Byrne revisited: #2; Keynote address—50th anniversary BPA meeting, Boston, Massachusetts 87
Dreyfuss, Ricardo 39

E-G

Editorial 12
Fox, Cecil H., Ph.D. 39
Fox, Cecil H., Ph.D. 111
Graphic design for desktop publishing, Part 2: Layouts 25
Graver, Nicholas M., RBP, FBPA 21, 123

H-L

Hansell, Peter, M.D., RBP, FBPA 37, 83, 104, 138
Hicks, Steve 169
High resolution electronic imaging of the human body 167
How's your photo/illustration service? Do you really want to know? . . . and what can you do to improve it? 123
Introduction to the First Pioneer Members Lecture 165
Kennedy, Dale, RBP 71
Keynote '91, A palette of opportunities—The future of biological imaging 57
Kilbourne, Scott, RBP 1

M-N

Management of volunteer and temporary staff in the audio/visual department 135
Meritt, Donald W., BS 63
Michaels, Kenneth V., FBPA 75
Michaels, Kenneth V., FBPA 165

O-P

Ogrodnick, Joseph M. 12, 45, 93, 129
1992 Association awards 153
Pan, M. L. 131
Photographing the osprey in the Chesapeake Bay Region 63
Photomicrography and molecular biology: *In situ* hybridization autoradiography and immunogold 39
Photomicrography—A brief history 111

S-T

Saunders, William G. 111
Sewell, Martha H. 57
60th Anniversary Historical Supplement 13, 47, 95, 141
Smoke and mirrors 169
Some useful items for the photographic laboratory 109
Spitzer, Victor M. 167
Stalcup, Scott W. 159
Templates for sizing photographs 21
TTL auto flash—Part 1: Calibration and compensation for close-up photography 131
Twenty-five years ago 37, 83, 104, 138

U-W

Understanding computer viruses 159
Ver Hague, James C., MS, MFA 25
Whitlock, David G. 167
Wilbur, Patricia Hilton, M.F.A. 105
